Products Covered and Duration of Warranty

This Limited Warranty of FoxJet, an ITW Company, applies to printing and labeling products manufactured or distributed by FoxJet, an ITW Company, and its associated brands. The term "product" means a FoxJet device or system, its features, conversions, upgrades, elements, or accessories, or any combination of them. Unless otherwise specified in the aforementioned tables, all replacement parts carry a warranty period of 90 days.

Production Status

Each product is manufactured from new parts, or new and serviceable used parts (which perform like new parts). In some cases, the product may not be new and may have been previously installed. Regardless of the product's production status, FoxJet's warranty terms apply as shown in Tables B and C.

Terms of the Warranty

FoxJet warrants that the product you have purchased from FoxJet or their authorized reseller is free from defects in materials and workmanship under normal use during the warranty period. The warranty period begins on the day of shipment from FoxJet for products show in Table A and C; For Products in Table B either on the sixtieth (60th) day after the date of delivery of the product or on the date of installation by FoxJet or original purchaser, whichever occurs first. The warranty extends only to the original purchaser. It is not transferable to anyone who subsequently purchases the product from you. It excludes all expendable parts.

During the warranty period, the FoxJet Service and Repair Center will repair or replace defective parts with new parts or, at the option of FoxJet, serviceable used parts that are equivalent or superior to new parts in performance.

This Limited Warranty extends only to products purchased from FoxJet or their authorized reseller. This Limited Warranty does not extend to any product that has been damaged or rendered defective (a) as a result of accident, misuse or abuse; (b) as a result of an act of God; (c) by operation outside the usage parameters stated herein; (d) by the use of parts not manufactured or sold by FoxJet; (e) by modification of the product; (f) as a result of war or terrorist attack; or (g) as a result of service by anyone other than FoxJet or their authorized reseller or authorized agent.

EXCEPT AS EXPRESSLY SET FORTH IN THIS WARRANTY, FOXJET MAKES NO OTHER WARRANTIES EXPRESSED OR IMPLIED, INCLUDING ANY IMPLIED WARRANTIES OR MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. FOXJET EXPRESSLY DISCLAIMS ALL WARRANTIES NOT STATED IN THIS LIMITED WARRANTY. ANY IMPLIED WARRANTIES THAT MAY BE IMPOSED BY LAW ARE LIMITED TO THE TERMS OF THIS EXPRESS LIMITED WARRANTY.

Limitations of Remedy

FoxJet is not liable for any damages caused by the product or by the failure of the product to perform, including any lost profits, lost savings, incidental damages, or consequential damages. FoxJet is not liable for any claim made by a third party or made by you for a third party.

How do I obtain Warranty Service?

A reference of your RMA number must appear on the outside of the shipping container and include examples or samples printed with the defective unit when possible. FoxJet is not responsible for any loss or damages incurred in shipping. A FoxJet Failure Analysis/Test Engineer or authorized reseller must validate all warranty claims.
